Description

This is a first for us and we have to say that so far we are really impressed. A 2.0 litre petrol hybrid with an incredibly high spec which started life as a Lexus dealer demo and then one private owner who just happens to be a very good customer of our's. Finished in electric blue and trimmed with black half leather, electric, heated front seats, satellite navigation, reverse camera, front and rear park assist, head up display with speed sign recognition and lots more.
